Sir:

**CHANGE OF ADDRESS AND DOCKET NUMBER**

This follows the March 9, 2004, communication with the Patent Office identifying Applicants' attorney's correspondence address and Customer Number of 25181. A copy of that communication is attached for the Office's reference. The Office, however, erroneously associated Customer Number 21181 with the above-identified patent application, instead of Applicants' attorney's correct customer number. Consequently, the Office sent the most recent Office Action, prepared by the Examiner assigned to the application, to the wrong attorney. A copy of the cover page of this Office Action, listing the wrong Customer Number and identifying the wrong attorney, is attached for the Office's reference.

Therefore, we request, in accordance with 37 C.F.R. §1.33(a), that the correspondence address for the above-identified patent application be changed to:

Also, please change the attorney docket number to SMY-041.01.

Additionally, please remove any privileges to access the above-identified application that were granted to the firm of Waddey & Patterson, the attorney to whom the Office Action was initially sent, as a result of the Customer Number error that was made.

Respectfully submitted,
